## Register To Be An Organ, Tissue And Eye Donor

We encourage individuals in Connecticut and Massachusetts to register as organ and tissue donors so that more lives may be saved. You can join the Donor Registry today by visiting [www.donatelifenewengland.org](http://www.donatelifenewengland.org).

## Volunteer

Volunteers, including donor family members, transplant recipients, professionals and others who are passionate about donation and transplantation, dedicate hundreds of hours each year to helping the public understand the importance of donation. Through their stories and knowledge, they inspire people to save lives.

From encouraging towns and cities to raise the Donate Life flag and marching in local parades to setting up Donor Registry information at health fairs and making regular visits to the Motor Vehicles Department, volunteers make their mark on the community.

LifeChoice is incredibly grateful for all volunteers who support our mission. Each year, volunteers are recognized for their efforts at a Volunteer Recognition event held at our offices in Windsor, CT.

If you are interested in volunteering with LifeChoice, please [contact us](#). Volunteer meetings are held each fall and spring in Windsor, CT and Springfield, MA. Other training opportunities are available throughout the year.
